International Welcome Programme: A chance for International students to be welcomed and given important information about living in the UK.

Clicker Session: Collect the clicker device that you will use in lectures throughout your degree.

Welcome Lecture: Be welcomed to the School of Biological and Chemical Sciences (SBCS) by key members of staff.

Study, Assessment & Support: Learn how to study successfully at university and how to access key support services.

Enrolment: Drop in between 11.15-12.45 and enrol in order to get your Student Card and IT account.

Welcome Fair: Explore the campus and join QMUL student societies.

Programme Induction: Find out important information about your Neuroscience programme.

Meet your Advisor: Meet your Academic Advisor who will support you throughout your studies.

Lunch: A break to eat lunch with fellow course-mates.

Blizard Undergraduate Allied Courses Induction Programme: An introduction to academic success on programmes allied to the School of Medicine & Dentistry.

Blizard Allied Course Social: Meet people on your programme; stay as late as you want to

Introduction to QMplus: Get familiar with the online learning platform we use here at QMUL.

Programme Induction: Find out important information about the modules in your Neuroscience programme where you will study alongside the Biomedical Sciences students.

Lab Induction: Learn key safety information required before you can start lab work in your degree.

Welcome Party: Connect with other students and staff at our Programme social.

If you have any questions, contact sbcs-ug-enquiries@qmul.ac.uk or visit the reception desk on the first floor of the Fogg Building.

Key:

All Neuroscience students

Neuroscience students with last name beginning with A-M only

Neurosciences students with last name beginning with N-Z only

International students only

Students’ Union (drop in when you can)
